Prune & Purple Bamboo Salt Drink

Boost metabolism ·
Feel light from within.

We believe real lightness comes from
metabolism reactivation

not harsh restriction, but restoring your
body's natural rhythm.

Renewa+

Supports natural recovery, boosts
metabolic awakening, helping your
body return to a healthy, sustainable
state — beautifully and effortlessly.

Renewa+ Prune & Purple Bamboo Salt Drink

A functional drink designed for metabolic balance & body regulation.

Formulated with science working from gut environment & fat metabolism, with multiple nutrients to help your body return to an efficient metabolic state.

Not stimulating metabolism, but restoring it.

Helps burn fat &
reduce internal load

Supports smooth digestion &
better bowel movement

Activates metabolism &
Improves sluggish
metabolic state

Gentle & balanced
no dependence, no
rebound

Product Highlights

One sachet a day
Let your body return to its
natural balance.

Core Ingredients

Purple Bamboo Salt

Traditional multi-roast Korean salt; helps balance internal environment & metabolism.

Grape Extract

Rich in organic acids & dietary fiber; supports gut motility & relieves constipation.

Probiotic Active Blend

Maintains gut microbiome balance & boosts metabolic efficiency from the root.

Slow metabolism & low energy

Office workers who sit long & rarely exercise

Irregular diet / frequent social meals

Constipation & weight management challenges

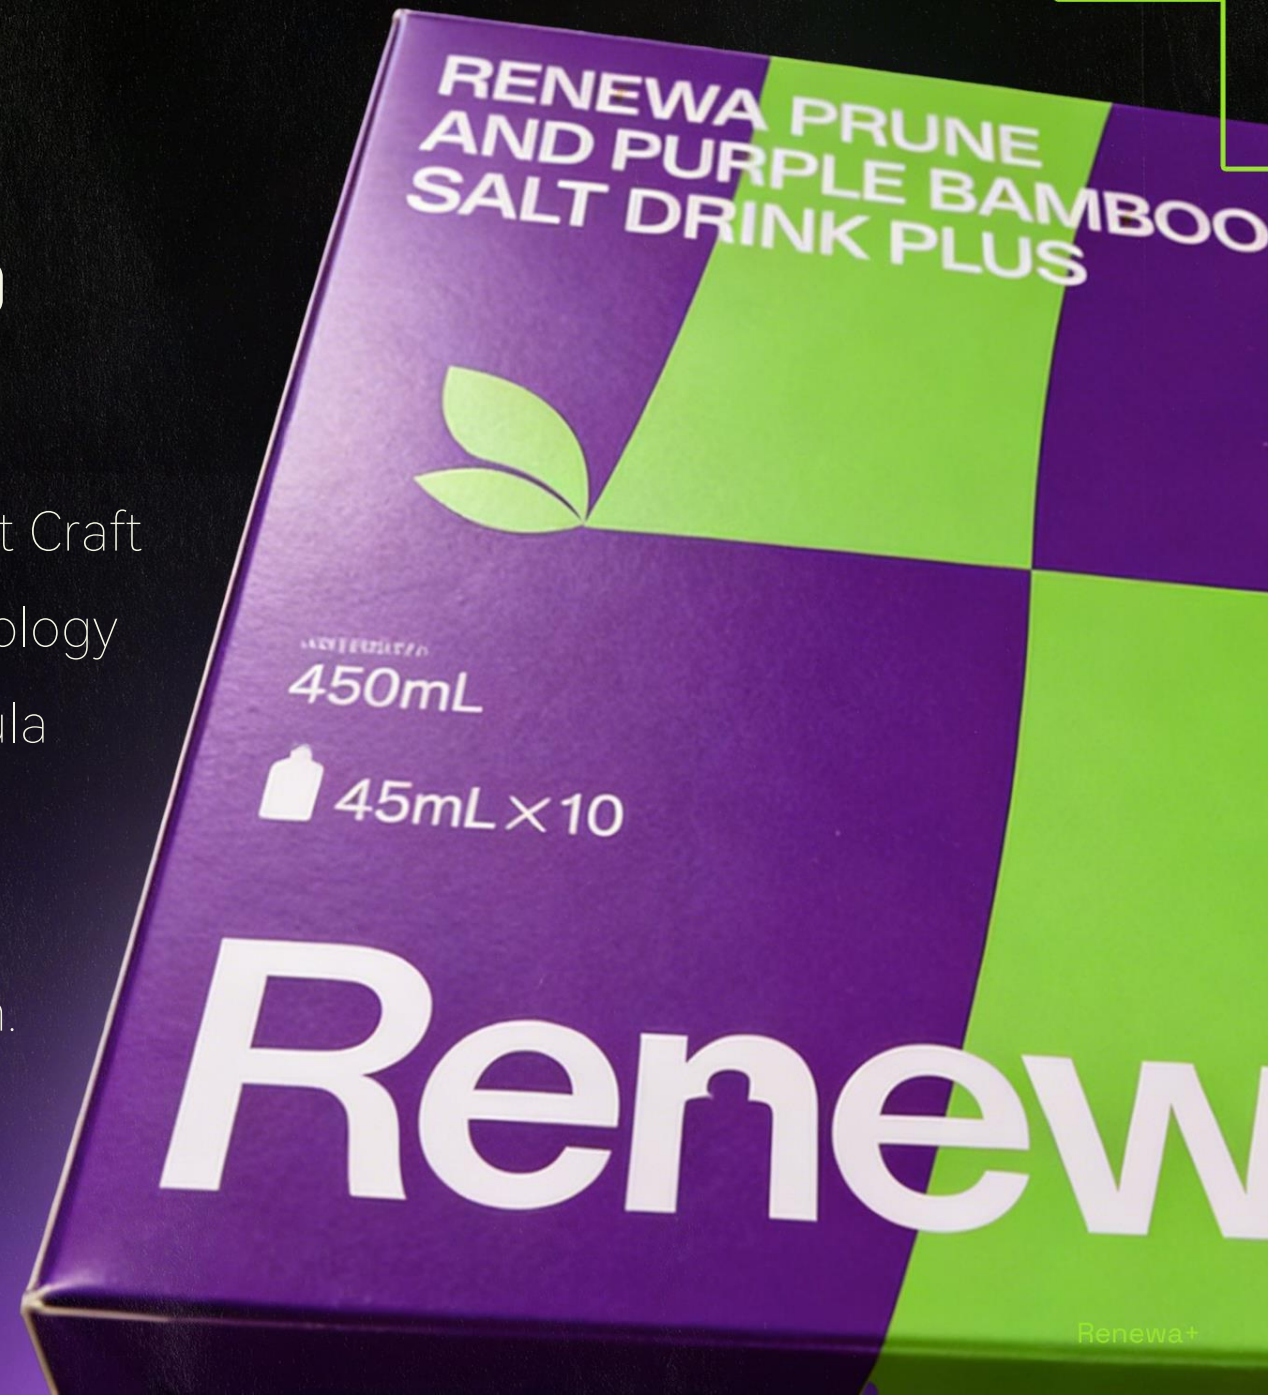

Those seeking gentle daily body balance support
